INDEX.

A

Abscess of brain, secondary trephining for, 232
Aconitia, antagonisms of, 582
Ahlfeld, Freund's operation, 545
Alt, Lectures on Human Eye, review of, 543
American Gynæcological Society's Transactions, review of, 522
Amyl nitrite, action of, 554
Anæmia, idiopathic blood in, 537
Anæsthesia, Surgical, review of Rottenstein on, 538
Anæsthetics, their position and prospects, 193
Aneurism of aorta cured by rest, etc., 454
———, ligation of carotid and subclavian for, 231
——— treated by galvano-puncture, 574
——— of femoral, recurrent, cured by ligature of external iliac, 455
——— of innominate, simultaneous ligation of carotid and subclavian for, 52, 230, 252
Aneurisms which do not pulsate, 485
Angina pectoris, 480
Antiseptic dressings in ocular surgery, 290
——— treatment of wounds, action of carbolized spray in, 419
——— washings in puerperal infection, 487
Apoplexy, spinal, 247
Ascites, chylosus, 564
Atlee, phlegmasia dolens following ovariotomy, 102
——, vaccination, 188
Axillary artery, rupture of, in reducing luxation of humerus, 574

B.

Banister, lateral lithotomy, 409
Barker, nephrectomy, 280
Battey, intra-uterine medication, 522
Baumann, carbolic acid poisoning, 295
Beale, Microscope in Medicine, review of, 260
Bennett, galvano-puncture in aortic aneurism, 574
Biliary colouring matter, test for, 553
Bladder, diagnosis and treatment of ruptured, 232
———, extroversion of, unsuccessful attempt to treat, 483
Bladder, tumour in, removed by perineal incision, 233
Blood-corpuscles, origin of, 263
——— in joints, removal of effused, 286
———, physiological pathology of, 104, 433
Boechat, iodoform in goitre, 563
Boeckel, catgut ligatures, 268
Bone, function of medulla of, 551
———, osseous tumors of, 485
Boston Board of Health Report, review of, 516
Braithwaite, digital dilatation of os in labour, 501
Bright's disease, ganglionic centres in, 17
———, diuretics in, 564
Brown-Séquard, nerve influence on tissues, 552
Brunton, strychnia in night-sweats of phthisis, 481
Buboes, sulphide of calcium in suppurating, 284
Bull, traumatic lesions of bones of orbit, 181
Burrall, carbuncle of face, 190
Busey, Narrowing, Occlusion, and Dilatation of Lymph Channels, review of, 252
Butlin, fur on tongue, 479
Byford, chronic inversion of uterus, 529
Byrne, kolpo-cystotomy by galvano-cautery, 527

C.

Cæsarean ovaro-hysterectomy, 115
———, results of first fifty cases of, 129
Callender, notes on hospital practice, 484
Carbolic acid poisoning, 295, 452
Carbuncle of face, 190
——— of upper lip, treatment of, 567
Carotid and subclavian, simultaneous ligation of, in innominate aneurism, 52, 230
Carter, Eyesight: Good and Bad, review of, 507
Castan, stigmata of maize, 267
Catgut for ligation of arteries, 268
Catti, toxic action of salicylate of soda, 296
Cervix uteri, elongations of, 523
Chadwick, sporadic septicæmia in gynæcological practice, 524
Chloral, eruptions caused by internal use of, 279
Cholera epidemics in Japan, 516
Colour-blindness, 576
——— -sense, examination of, 531

Commons, use and abuse of ergot, 491
Conjunctival syphilis, 575
Conjunctivitis from chloral, 576
Conklin, Influence of School Life upon Eyesight, review of, 251
Connecticut Board of Health Report, review of, 514
——— Medical Society, Proceedings of, review of, 497
Coomes, Naso-Pharyngeal Catarrh, review of, 500
Cornwell, Basedow's disease terminating in loss of sight from inflammation of cornea, 399
Cousin, oxide of zinc in diarrhœa, 565
Creasote in chest affections, 556
Créquy, oxygen inhalation in opium poisoning, 297
Critchett, treatment of gonorrhœal ophthalmia, 289
Cruveilhier, extirpation of naso-pharyngeal polypus by palatine method, 566
Cullingworth, fibroma of ovaries, 504

D.

Da Costa, ganglionic centres in Bright's disease, 17
———, starvation fever, 271
Darling, Essentials of Anatomy, review of, 251
Delafield, localized tubercular pleurisy, 415
Demme, benzoate of soda in scarlet fever and diphtheria, 560
Diaphragm, function of, 88
Diarrhœa, oxide of zinc in, 565
Diphtheria, benzoate of soda in, 560
———, carbolized camphor in, 561
———, epidemic of, 496
Duckworth, irregular manifestations of gout, 480
Duffy, iodic purpura, 544
Dugan, nitrite of amyl, 544
Duhring, pityriasis maculata et circinata, 359
Dujardin-Beaumetz, duboisia in exopthalmic goitre, 563
Duncan, nerve lesion in gynæcology, 477
Dysmenorrhœa, oöphorectomy for, 580

E.

Embolism, fatty, 269
Emerson, conjunctivitis from chloral, 576
Emmet's Gynæcology, review of, 259
Epilepsy, diagnostic significance of dilated and mobile pupil in, 451
——— ethyl bromide in, 563
———, secondary syphilitic, 561
Ergot, its use and abuse, 491
Eross, syphilitic laryngitis in children, 564
Erythrophleine, action of, 554
Eulenberg and Guttmann, Physiology and Pathology of Sympathetic System of Nerves, review of, 459
Exophthalmic goitre terminating in loss of sight from inflammation of cornea, 399
Extra-uterine fœtation, 501, 503, 529
——— gestation treated by abdominal section, 292, 293
Eyelids, movements of the, 233

F.

Favre, colour-blindness, 576
Favus, remarkable case of, 249
Fistula, salivary, 97
Flint, medulla oblongata, action of, in normal respiration, 69
Fontarce, Pathological Clinique du Grand Sympathique, review of, 459
Forbes, function of diaphragm, 88
Forceps, early application of, 528
Forest, iodine in post-partum hemorrhage, 577
Foster's Physiology, review of, 261
Fournier, secondary syphilitic epilepsy, 561
Freund's operation, 945
Friedreich, respiratory percussion, 517

G.

Gairdner, diuretics in Bright's disease, 564
Gastro-hysterectomy, 115
———, results of first fifty cases of, 129
Gingivitis, peculiar form of ulcerative, 478
Glisan, poisoning by carbolic acid, 452
Glycerine in flatulence, etc., 555
Goitre, exophthalmic duboisia in, 563
———, iodoform in, 563
Gonorrhœa, gurgun balsam in, 569
———, retention of urine in, 569
Goodell, elongations of cervix uteri, 528
Gout, some irregular manifestations of, 480
Gowers, diagnosis of diseases of spinal cord, 509
———, movements of the eyelids, 233
———, tendon reflex, 227
Gray, diagnostic significance of dilated and mobile pupil in epilepsy, 451
Greenhow, salicin in acute rheumatism, 273
———, salicylate of soda in rheumatism, 274
Guttmann, ascites chylosus, 564

H.

Hamilton, Fracture of Patella, review of, 498
Harris, results of first fifty cases of Cæsarean ovaro-hysterectomy, 129
Harvard Physiological Laboratory, Collected Papers of, review of, 262
Health Reports, Japanese, review of, 235
———, review of, 511
Heart, diagnosis of valvular diseases of, 404
———, anæmic dilatation of, 478
Heath, diagnosis and treatment of ruptured bladder, 232
Hemiplegia, an unusual cause of, 483
Hemorrhage, post-partum, iodine in, 577
Hernia, inguino-ovarian, 504
Hicks, extra-uterine fœtation, 293
Hip, excision of, 571
Holmes, excision of knee and hip, 571
Homatropin, mydriatic properties of, 266
Howard, leucocythæmia, 245
Humerus, luxation of, rupture of axillary artery in reduction of, 574
Hutchison, recurrent femoral aneurism caused by ligation of external iliac, 455

Hyde, molluscum verrucosum, 542
Hypermetropia, diabetic, 288
Hypodermic Injection of Morphia, review of, 242
Hysterectomy, 578

I.

Illinois State Medical Society's Transactions, review of, 257
Indiana State Medical Society's Transactions, review of, 256, 491
Intestinal concretions removed by enterotomy, 567
Intra-uterine medication, 522

J.

Jenks, intra-uterine injections in puerperal septicæmia, 524
Joints, removal of effused blood in, 286
Jones, comparative pathology of malarial and yellow fevers, 254
——, physiological pathology of the blood, 104, 435

K.

Kelsey, surgical treatment of cancer of rectum, 377
Kessler, poisoning by mushrooms, 393
Kidney extirpation of, 567
Knee, excision of, 571
Kolpo-cystotomy by galvano-cautery, 527
Kuster, carbolic acid poisoning, 295

L.

Labbé, hysterectomy, 578
Landolt, diabetic hypermetropia, 288
Lange, extirpation of kidney, 567
Langenbeck, secondary sutural union of radial nerve, 287
Langenbuch, intestinal concretions removed by enterotomy, 567
Laryngeal growths, intra-, removal of, 279
Laryngitis, syphilitic, in children, 564
Lepra anæsthetica, 483
Leprosy, recovery from true, 227
Leucocythæmia, 245
Lithotomy, lateral, with removal of bone, 409
Lithotrity at a single sitting, 570
Longevity, human, 492
Longstreth, ganglionic centres in Bright's disease, 17
Louisiana State Medical Association's Proceedings, review of, 253
Lucas-Championnière, antiseptic dressings in ocular surgery, 290
Lupus, pathology of, 226
Lusk, justo-minor pelvis, 529

M.

Mackenzie, congenital syphilis of the throat, 321
Maize, stigmata of, 267
Maryland, Transactions of Medico-Chirurgical Faculty of, review of, 497
Mason, salivary fistula, 97
Massachusetts Board of Health Report, review of, 515
Masset, test for biliary colouring matter, 553
Mastoid bone, disease of, 231
Mauriac, retention of urine in gonorrhœa, 569
Mauthner, Examination of the Colour-Sense, review of, 531
Medico-Chirurgical Transactions, review of, 226
Medulla oblongata, action of, in normal respiration, 69
Memphis Board of Health Report, review of, 513
Meredith, extra-peritoneal ovariotomy, 579
Metallotherapy, 555
Michigan Board of Health Report, review of, 515
Milwaukee Health Commissioner's Report, review of, 511
Minor, Cincinnati Health Report, 244
Missouri, Medical Association of, Transactions of, review of, 496
Mitchell, physiological action of potassium nitrite, 158
Molluscum verrucosum, case of, 542
Montreal Hospital Reports, review of, 245
Morris, Skin Diseases, review of, 243
Mundé, prolapse of ovaries, 526
Mushrooms, poisoning by, 393
Myopia, contribution to clinical history of, 442

N.

Nephrectomy by abdominal section, 280
Nerve influence on tissues, 552
—— lesion in gynæcology, 477
——, radial, secondary sutural union of, 287
Nervous syphilis, contribution to knowledge of, 384
Neuroma, multiple, 134
Neurosis, vaso-motor, of lower extremity, 277
New Hampshire Medical Society, Proceedings of, review of, 495
Night-sweating in phthisis, pathology of, 481

O.

Obrastow, function of medulla of bone, 551
Obstetrical Society of London, review of Transactions of, 501
Ohio State Medical Society, Transactions of, review of, 255
Oöphorectomy for dysmenorrhœa, 580
Ophthalmia, gonorrhœal, 289
Ophthalmoplegia externa, 231
Opium poisoning, inhalation of oxygen in, 297
Orbit, traumatic lesions of bones of, 181
Os, digital dilatation of, in labour, 501
Osborn, Diseases of Testis, review of, 544
Otis, sulphide of calcium in suppurating buboes, 284
Ovaries, fibroma of, 504
——, prolapse of, 526
Ovariotomy, extra-peritoneal, 579
Oxygen inhalation in opium poisoning, 297

P.

Parker, Tracheotomy in Laryngeal Diphtheria, review of, 536
——, tracheotomy in membranous laryngitis, 230

Patella, fracture of, 458
Pelvis, justo-minor, 529
Pennsylvania Hospital, Surgery in, review of, 219
Pertussis, benzoate of soda in, 561
Petit, metallotherapy, 555
Phenol, iodized, intra-uterine medication by, 522
Phlegmasia dolens following ovariotomy, 102
Phthisis, treatment of, 255
Pilocarpine, hypodermic injection of, 267
Pittsburg Board of Health Report, review of, 512
Pityriasis maculata et circinata, 359
Pleurisy, localized tubercular, 415
Polypus, naso-pharyngeal, extirpation of, by palatine method, 565
Porcher, diagnosis of valvular diseases of heart, 404
Porro's operation, case of, 115
———, results of first fifty cases of, 129
Potassium nitrite, physiological action of, 158
Priestley, extra-uterine fœtation, 501
Prudden, multiple neuroma, 134
Puerperal infection, antiseptic washings of wounds in, 487
———, intra-uterine injections in, 524
Pupil, diagnostic significance of dilated and mobile, in epilepsy, 451
Purpura, iodic, 544

R.

Ransohoff, aneurism of innominate, simultaneous ligation of carotid and subclavian for, 352
Rectum, cancer of, surgical treatment of, 377
Reeve, extra-uterine pregnancy, electricity in, 529
Reichert, physiological action of potassium nitrite, 158
Rendu, antiseptic injections in puerperal infection, 487
Respiration, action of medulla oblongata in, 69
Respiratory percussion, 517
Reuss, creasote in chest affections, 556
Reviews—
Ahlfeld, Freund's operation, 545
Alt, Lectures on Human Eye, 543
Anæsthetics; their position and prospects, 193
Beale, Microscope in Medicine, 260
Busey, Narrowing, Occlusion, and Dilatation of Lymph Channels, 252
Carter, Eyesight: Good and Bad, 507
Coomes, Naso-Pharyngeal Catarrh, 500
Darling, Essentials of Anatomy, 251
Diseases of Sympathetic Nervous System, 459
Duffy, Iodic Purpura, 544
Dunglison, Practitioner's Reference Book, 550
Emmet's Gynæcology, 259
Eustache, Injury of Urinary Organs during Ovariotomy, review of, 240
Reviews—
Foster's Physiology, 261
Frey on the Microscope, 550
Friedreich, Respiratory Percussion, 517
Gowers, Diagnosis of Diseases of Spinal Cord, 509
Hamilton, Fracture of Patella, 498
Harvard Physiological Library, Collected Papers of, 262
Health Report of Cincinnati, 244
——— Reports, 511
Hyde, Molluscum Verrucosum, 542
Japanese Health Reports, 235
Kane, Hypodermic Injection of Morphia, 242
Mauthner, Examination of the Colour-Sense, 531
Medico-Chirurgical Transactions, 226
Microscope, new edition of works on, 550
Montreal Hospital Reports, 245
Morris, Skin Diseases, 243
Osborn, Diseases of the Testis, 544
Parker, Tracheotomy in Laryngeal Diphtheria, 536
Rendu, Usefulness of Washing out the Womb with Antiseptics in Puerperal Infection, 487
Reynolds's System of Medicine, 258
Richardson, Ministry of Health, 543
Roberts, Urinary and Renal Diseases, 545
Rottenstein, Anæsthesie Chirurgicale, 538
St. Bartholomew's Hospital Reports, 477
Simmons, Cholera Epidemics in Japan, 516
State Medical Societies' Transactions, 253
Surgery in the Pennsylvania Hospital, 219
Transactions of American Gynæcological Society, 522
——— Obstetrical Society of London, 501
——— State Medical Societies, 491
Virchow, Post-mortem Examinations, 253
Wythe Microscopist, 550
Reynolds's System of Medicine, review of, 258
Rheumatism, salicin in acute, 273
———, salicylate of soda in, 274, 477
Rhode Island Board of Health Report, review of, 515
Richardson, Ministry of Health, review of, 543
Rindfleisch, origin of blood-corpuscles, 263
Ringer, antagonisms of aconitia, 582
———, glycerine in flatulence, etc., 555
———, mydriatic properties of homatropin, 266
Risley, clinical history of myopia, 442
Roberts, Urinary and Renal Diseases, review of, 545
Rossbach, removal of intra-laryngeal growths, 379

Rothe, antiseptic treatment of typhoid fever, 557
Rottenstein, Surgical Anæsthesia, review of, 538
Routh, extra-uterine pregnancy, 503

S.

St. Bartholomew's Hospital Reports, review of, 477
Salicin in acute rheumatism, 273
Salicylate of soda in rheumatism, 274
———, toxic action of, 297
Saliva, secretion of, 482
Salivary fistula, 97
Scarlet fever, benzoate of soda in, 560
Schäfer, experimental inquiry on transfusion, 505
Schofield, secretion of saliva, 482
Sclerosis of cerebral cortex, 479
See, action of erythrophleine, 554
Septicæmia, sporadic, in gynæcological practice, 524
Sichel, conjunctival syphilis, 575
Simmons, Cholera Epidemics in Japan, review of, 516
Smith, unsuccessful attempt to treat extroversion of bladder, 483
Southey, salicylate of soda in rheumatism, 477
Starvation fever, 271
Stimson, simultaneous ligation of carotid and subclavian for innominate aneurism, 52
Straus, vaso-motor neurosis of lower extremity, 277
Subclavian and carotid, simultaneous ligation of, for innominate aneurism, 52, 230, 352
Suppuration, pelvic, treatment of, by abdominal section and drainage, 291
Sutton, aneurism of arch of aorta cured by rest, etc., 454
Sympathetic nervous system, review on diseases of, 459
Syphilis, conjunctival, 575
———, nervous, 384
——— of throat, congenital, 321

T.

Tait, extra-uterine gestation treated by abdominal section, 292
——, oöphorectomy for dysmenorrhœa, 580
——, treatment of pelvic suppuration by abdominal section and drainage, 291
Taylor, atresia of vagina, 530
———, early application of forceps, 528
———, gastro-hysterectomy, 115
Tendon reflex, 227
Tennessee, Transactions of Medical Society of, review of, 493
Thin, pathology of lupus, 226
Thompson, lithotrity at a single sitting, 570
Throat, congenital syphilis of, 321
Thrombosis, septicæmia and cardiac, 502
Tinea tonsurans, skin in, 227
Tongue, fur on, 479
Tracheotomy in laryngeal diphtheria, 536
——— membranous laryngitis, 230
Transfusion, experimental inquiry on, 505
Tuberculosis, perforating, of roof of skull, 566
Tweedy, mydriatic properties of homatropin, 266
Typhoid fever, antiseptic treatment of, 557

U.

Ulcer of foot, perforating, 233
Ulcers, syphilitic, salicylate of lime in, 286
Urinary Organs, Injury of, during Ovariotomy, review of, 240
Urine, retention of, in gonorrhœa, 569
Uterus, chronic inversion of, 529

V.

Vaccination, 188
Vagina, atresia of, 530
Vaginal injection, fatal peritonitis from, 577
Vaginitis, gurgun balsam in, 569
Varicose veins, treatment of, by abscission of portions of affected veins, 486
Vidal, gurgun balsam in gonorrhœa and vaginitis, 569
Viforcos, salicylate of lime in syphilitic ulcers, 286
Virchow, Post-Mortem Examinations, review of, 253
Virginia, Transactions of Medical Society of, review of, 494
Volkmann, removal of effused blood from joints, 286
———, perforating tuberculosis of roof of skull, 565
Vomiting of pregnancy, 577

W.

Walsham, osseous tumours of bone, 485
Watson, action of carbolized spray in antiseptic treatment of wounds, 419
Welponer, vomiting of pregnancy, 577
White, intra-uterine medication, 523
Wilkins, spinal apoplexy, 247
Wood, contribution to knowledge of nervous syphilis, 384

Y.

Yellow and malarial fever, comparative pathology of, 254
